COLOR — It means life,
Growth, and Change. Color
brightens our lives and
gives special meaning to
each day. It can affect
and even create
moods. Each
personality has
a unique
color.

It is this uniqueness that each Collegiate student passes on to succeeding students through the years. As the Olympic Torch marks the beginning of the Games and is passed on by the players, our school lives create the spark that will eventually ignite our futures. The competitive atmosphere of life at Collegiate gives each of us the chance to work to his full potential.

Seniors Honor Mr. Addy and Mr. Wiltshire

They have helped us throughout our years at Collegiate. Their genuine concern for their students' welfare has been exemplified many times over. Their dedication to the school and students has been revealed by their interest in everything we do in and out of class. The advice that the students have received from these two teachers has always been straightforward and valuable. Because of their interest and concern, we, the Class of 1974, dedicate our Torch to Mr. Hugh H. Addy and Mr. Charles F. Wiltshire.

Senior Girls Express Love for Mrs. Bothwell

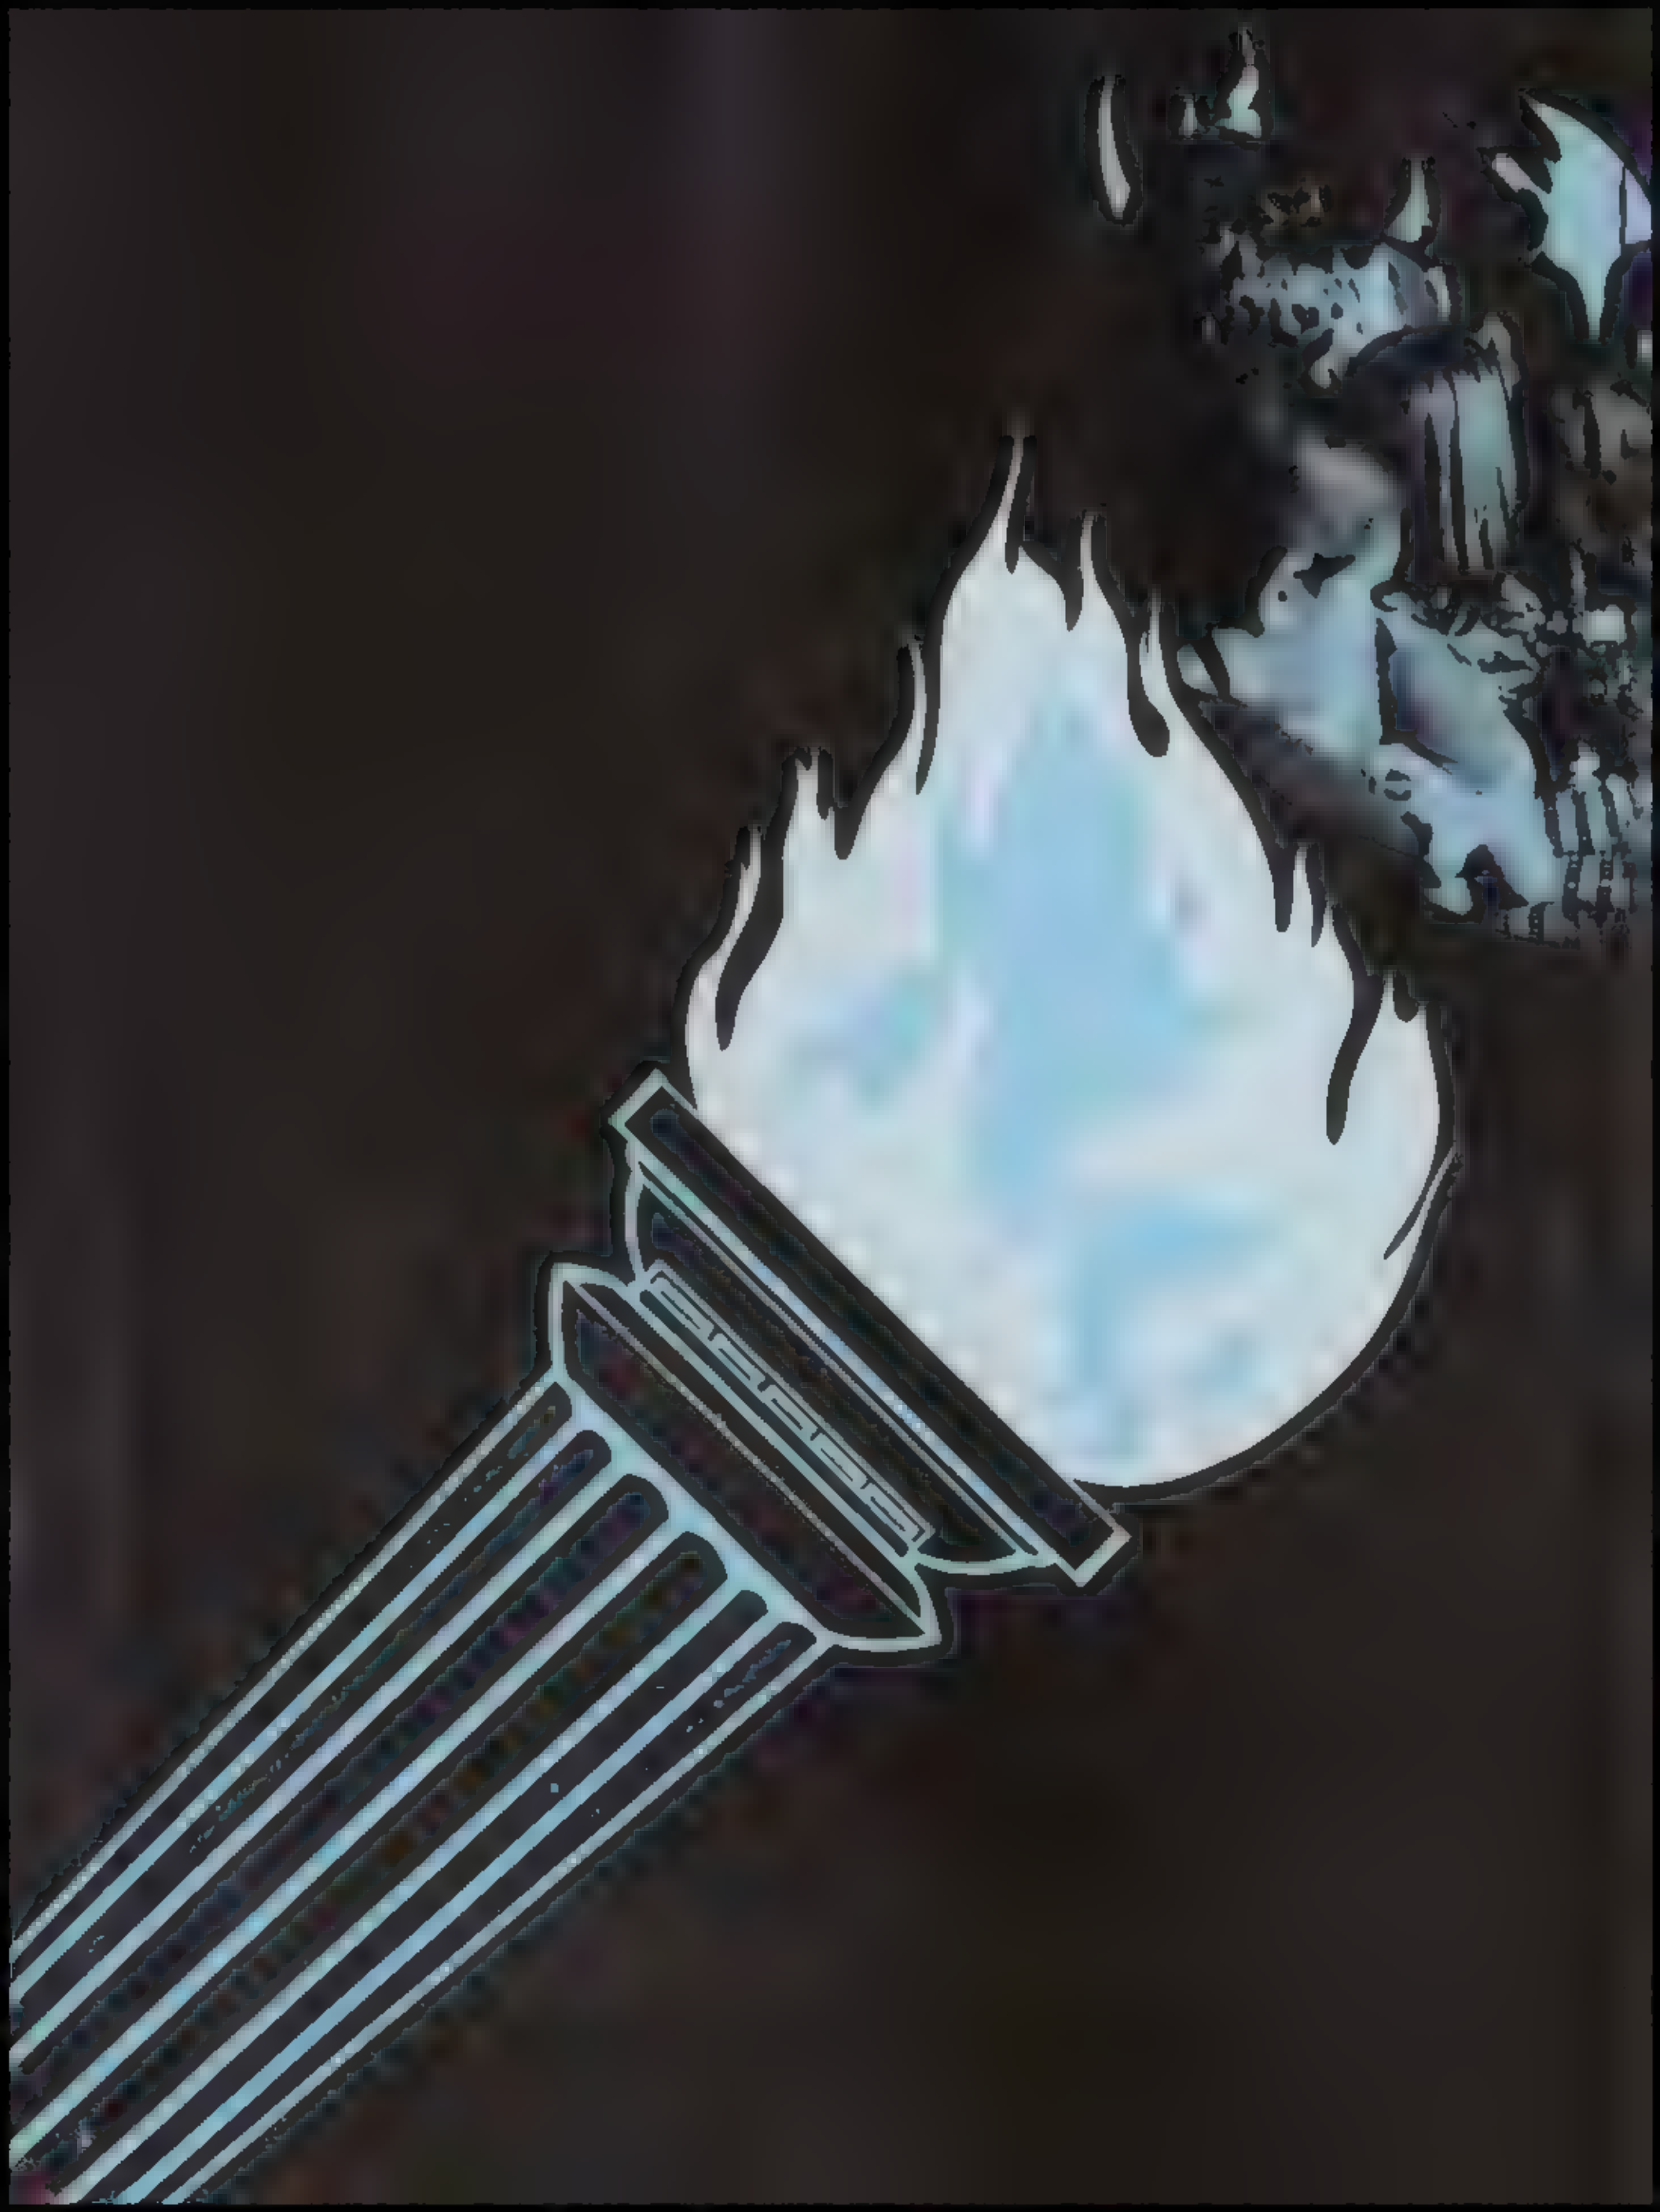

She has always been behind us when we have needed support; she has always led us when we have needed guidance; and she has always been beside us when we have needed a friend. With patient understanding, unselfish concern, and a reassuring smile she has taught us, guided us, and consoled us. Her wise advice and encouragement have given us hope for our futures as well as for our academic quests. In her we see the woman we would like to become. We, the Senior girls of the Class of 1974, dedicate our TORCH to Mrs. E. C. (Peggy) Bothwell

Collegiate Fills Fall With Fun

Early Fall

After spending eventful but all too short summers, students returned to confront another year. Perhaps there was some anxiety on the part of underclassmen as the traditional flower girl picking was held on the day prior to registration. A string of brightly decorated cars awakened the city of Richmond on Wednesday morning, September 4. A police escort then breakfast at Aunt Sarah's highlighted the morning. Key Club Sweetheart and new XXX members were announced at a pep rally early in the year. Frances Day held the former honor; while new "recruits in red" were Sherry Singer, Cathy Gazala, and Cindy Liebert. Replacing last year's Tri-Dance was a Sadie Hawkins Dance, held on Collegiate's tennis courts, which proved extremely successful and popular. From this year's Book Fair came the now famous cookbook, *The Stuffed Cougar*. Composed of unique recipes from many Collegiate patrons, the book was in demand in bookstores all over the city. *Our Town* was the first production performed under Collegiate's new director, Mr. Frank Howarth.

Early Winter

Ushered in by heavy snow and lower thermostats, this winter still managed to host the popular traditions of Christmas at Collegiate. Early in December the girls honored Jean Foster with the role of Madonna, and pageant rehearsals were held under the able and familiar guidance of Mrs. Flippen. While the Key Club energetically tended the Yule Log, the Junior girls adhered to the cliché, "the show must go on." And in spite of snow, icy roads, the splendid Whoville Brunch did go on. Postponed was the boys' Christmas service and Yule Log ceremony.

Late Winter

Christmas at Collegiate this year was different from all others. The Juniors' Brunch for the Seniors was postponed one day because of danger from ice. Winter vacation was extended until January 7 because of the Energy Crisis, thus cancelling the traditional Mid-Winter's Dance. With the start of second semester, students were forced to settle down to work once more. Romances Blossom at Spring Dance

Meetings for the Spring Prom were the first indications of Spring this year. Seniors experienced relief from the usual "Senior Slump," as myriad college acceptances filtered in. Baseball, tennis, track, and golf also sparked the Spring feeling. Many hours of concentrated practice and a tremendous amount of talent made **Guys and Dolls** a roaring success. The frenzied attempt at a play brought to light the hidden talents of the Senior class. The entire Upper School enjoyed the Spring Fling on April 6. Coach Jones Develops New Prospects

Varsity Football

Though the record was not outstanding, the team gained valuable experience during the 1973 season. Sophomore Bill Day proved to be a valuable asset as quarterback. Strong backing was provided by seniors Farrar Pace, Jeff Timmons, Pete Ferebee, Greg Smith, and Biff Hickok.

The Blue Ridge game had numerous scoring opportunities, but in the second half Pete Ferebee scored and Biff Hickok kicked the extra point to win 7-6. The team was up for the Gill School game. Bill Day and Willy Carter each scored a touchdown and then Day completed a bomb to Hickok to account for the final score of 21-0. Hickok also kicked the extra points.

The next game, at Christchurch, was a big victory. Timmons scored with an interception. Pace, Gary Cosby and Hickok scored successfully.

Tri-Captains Provide Backbone for Team

The game with Episcopal was the Cougars' sixth game and their third loss. The team played hard but too many bad breaks and good execution on the part of Episcopal caused their defeat.

The St. Christopher's game was a tie, 7-7. The Cougar underdogs played well with Timmons scoring and Hickok kicking the extra point.

The Varsity Hockey team benefited from the direction of a new coach, Miss Janet Grubbs. Under her disciplined supervision the players learned to apply new skills and strategy and to bandage their shin-splints and sore legs. With many close games, the Team showed valiant spirit and sportsmanship. At the Allied Tournament, Holly Jones and Leigh Thalhimer were named to the first team, while Anne Frazier, Anne Cox, and Benita Atiyeh were named to the reserve team.

B-Team Hockey

B-Team fared better than A-Team in victories. They scored exciting goals against strong opponents and experienced thrilling wins with a few close losses. Ross Norfleet Leads Team to 5-3 Record

Cross Country

The cross country team had a very good year. Under the direction of Mr. Bill Porter the team turned in a 5-3 record. Ross Norfleet and Rusty Conner led the team with strong support from Crit Richardson, Raymond Parker and Jeff Forbes. By hard work during the hot summer and fall months, the team produced a winning season. Norfleet came in fifth in the state meet at Roslyn; while Parker and Forbes displayed good showing in the J.V. meet.

Extensive Practice Improves Skills

Varsity Soccer

In his first year of Varsity Soccer coaching, Mr. Tom Snyder led his largely inexperienced team to a very respectable season. With the aid of Assistant Coach, Mr. Leland Smith, Mr. Snyder made use of an entirely new team formation, revolving around a sweeping, roaming fullback.

The team's tri-captains were Bobby Johann, Greg Smith, and Bruce Wells, who was unfortunately injured in the pre-season. The offense consisted of Bobby Johann, Biff Hickok, Jimmy Lyne, Philip Hart, Rusty Conner, Vincent Dalton, and Dusty Boyd. The whole team benefited from the excellent playing of first-stringer Juanca Ortellado, the AFS Student from Paraguay. The defense was bolstered by the fine playing of seniors Greg Smith, John Bowman, Jeff Timmons, and Farrar Pace and juniors John Congdon, Mark Sweeney and Larry Weger. The goalies were Don Sledd and Gary Cosby.

Soccer Team Participates in Area Tournament

Throughout the season, the team displayed excellent soccer playing. In two such games the team, down by 1-2 at halftime, came back to defeat R.M.A. in the second half. In a hard soccer game with V.E.S., the team "beat" their opponents but lost 0-1. In an all-round well-played game with Blue Ridge, Collegiate turned back the Barona. Basketball Team Wins Prep Tournament

Varsity Basketball

The Cougar Varsity Basketball team blazed a path toward the Prep League championship this year. Encouraged by excellent coaching, tri-captains Randy Alley, Bruce Kemp, and Moore McMahon led a well-prepared team to a coordinated performance on the courts. The victory early in the season in the Tidewater Tournament was only a sample of what was to take place. The veteran players from last year were joined by a few select sophomores and transfer students Robert Bass and Ronnie Shiflet. The combination of this playing talent with the coaching talent of Mr. Bill Chambers produced the best record of a Collegiate basketball team. The stress placed on balanced scoring and strong defense helped to develop the individual players as well as the team as a whole.

Varsity Basketball

In spite of occasional illness and injuries the girls' varsity basketball team turned in a 6-6 season record. Led by co-captains Anne Frazier and Bev Chewning the squad produced star efforts against such able challengers as Gill School and St. Margaret's. One welcome addition to the team was Beth Morgan who usually proved to be game high scorer. Thanks to the superb coaching ability of Mrs. Gwen Donahue, Collegiate gained fourth place in the Marymount tournament.

Golf Team Gains Players and Experience

Varsity Golf

The golf team underwent a year of building for the first time in several years. The only returning starters from last year were David Oates and Doug Hancock. Mark Sweeney and Tom Miller, new additions to the team, provided support. Judd Eliot and Robert Wrenn promised the Cougars three additional years of support. Fourteen matches and two tournaments filled the golf calendar this year. Generally, the season served to introduce several new members to competitive golf

Tennis

This year's tennis team, coached by Mr. Charles "Abdul" Gaddy, saw tremendous improvement over last year's team. Newcomers to Collegiate, Neal and Randy Carl, and veterans Tony Velo, Herb and Ron Wiesinger had a good season. Other members who played an important part in Collegiate's winning season were Mark Brown, Richard Makepeace, and Monty Sharpe. Saint Christopher's and Woodberry Forest provided the most difficult competition during the year.

Various Skills Compose Track Team

Track

Spring track sprinted to a fine start because of great concentration and dedicated discipline by the team. Ross Norfleet led the distance races with Raymond Parker close behind. Both were outstanding during cross country. Rusty Conner, also outstanding in cross country, led the sprints this year, notably the 220 and the 440. Both Rusty Conner and David Williams ran exciting races. John Billingslie, who quickly rose through much effort during winter track, led the intermediate and high hurdles. Jamie Bennet and Andrew Sanders brought achievement in the long jump, triple jump, and high jump. Steve Kelley showed great potential for the pole vault. Rick Weakley, Maurie Wood, and Kevin Jones spearheaded the shot and the discus events. Many others brought success to the spring team this year, rewarding Coach Jim Hickey with a dynamic season.

Seniors Strengthen Varsity Team

Varsity Baseball

The varsity baseball team, although losing 10 starters from last year's squad, still had a successful year. The infield, centered around George Gray and Scott Pettit, made very few errors and the outfield held by Brian Panuline, Erik Greenbaum, and Bruce Jenkins was also very solid. Newcomers Doug Mauck and David Gorsline provided a sound backstop for pitchers Brian Panuline, Bruce Jenkins, and freshman Frank Jones. Backing up the starters were junior Curt Wiltshire and sophomores Steve Ash, Rutherford Moore, Bobby Call, and Billy King.

New Uniforms Add Variety

Varsity Cheerleaders

This year the cheerleaders underwent many new and exciting changes under the leadership of Frances Day. By having bake sales and gaining the financial aid of the school, they were able to obtain new kilts and sweaters. Each girl also purchased a pair of green saddle shoes to go with the new uniforms. During football season, the cheerleaders took an active part in each of the nine games. At hockey games the cheerleaders led marches and cheers to increase the school spirit. During basketball season each cheerleader had a secret basket ball pal. Before each game she anonymously surprised him with candy, cookies, and notes. For the soccer games, which many times were impossible for the cheerleaders to attend, they made cookies for the team members. The main goals of the cheerleaders were to promote school spirit, advertise games, and let each team member know that the school was behind him in every game.

JV Cheerleaders

Junior Varsity cheerleading squad was composed of freshmen and sophomores this year. Beth Blaylock led the squad which vivaciously supported junior varsity and varsity B-teams. The girls participated in home and away games throughout hockey and basketball seasons. Junior varsity often serves as a training experience for future varsity cheerleaders.

JV cheerleaders share duties of rousing spirits at bonfire.

At Collegiate

each girl must work as a separate unit
and then work with her class —

Sometimes as a leader

sometimes as a follower

so that she can discover that special talent
which enables her to color her world uniquely
and gives her a meaning for living
that she can pass on to future generations.

ORGANIZATIONS

New Torch Advisor, Miss Merrill, Spurs Staff

Torch

In late August thirteen raw recruits, known as the Torch editors gathered at the Taylor Publishing Company Seminar with their brand new advisor, Miss Mollee Merrill. Three days of rigorous training and intense lunchroom conversation molded these geniuses into first-rate editors. Night workshops, punchy conversations, and infrequent brainstorming (some of the mentionables) helped to produce what some intellectual critics consider to be the best yearbook in a long time. The unique use of spot-color and interesting dividers give the 1974 Torch a character of its own. The editors shied away from a clichéd theme and tried to incorporate personal and sincere philosophies in the result — Light your world with your own style, but use the wisdom passed to you by those who go before. And so, we, the editors of the 1974 Torch, pass our mistakes, our frantic deadlines, our punchy night workshops, and our "Mrs." Mollee to the 1975 Torch editors. They made the year and the yearbook possible. They worked some, but mostly they gave us somebody to yell at and somebody to delegate our responsibilities to. GOOD LUCK?!

New Format Enchances Match

Dynamic changes in the *Match* this year were brought about by the editors, Janet Meyers and Walker Jones. Included also were many new feature editors. Layout was in the form of a magazine instead of the previous newspaper format. Also new were the popular, easy-to-read "newsflashes." Members of the *Match* staff followed a constant schedule, enabling the *Match* to come out ten times during the year. Collegiate's *Match* is unique in that it is totally school funded.

Flame Invokes Creative Talent in Students

Flourishing with creative material, the Flame burned brightly. This year Maggie Redford and the five editors of poetry, art and fiction, layout, and copy led the Flame and staff to an exciting year. Copy, a new committee, was added for the purpose of proofreading and typing. The staff was more selective this year concerning the quality of the entries. Legibility was also considered. The annual contest which began the first week in November and lasted through January, was held in order to stimulate interest. Different from last year, poetry and fiction could be submitted to the contest along with the usual art and photography. Entries were judged by faculty members and prizes were awarded. In the future the staff hopes that more male members will join. In late fall the staff presented a skit in assembly in order to arouse enthusiasm for the Flame.

Honor Council and Judicial Board Maintain Healthy Atmosphere

Honor Council

The Honor Council, whose responsibilities include judging fellow students accused of honor violations, tried to erase the image of harsh, impersonal student-judges. Chairman Frances Taylor and the other members of the Honor Council tried to express to the Girls' School that the Honor Council is a beneficial tool of the student body. In a humorous skit they presented their goal of instilling in the students a sense of personal integrity.

Judicial Board

With a duty to enforce the rules of the school, Judicial Board, headed by Laurie Lansing, functioned effectively. In the fall each Upper School class elected two representatives to the Board. These girls were chosen for honor and integrity, and they composed a council which the entire Student Body could respect. Any student who had received a demerit appeared before Judicial Board where she was given a chance to defend herself and maybe helpful advice. Keeping study halls quiet and maintaining an atmosphere conducive to study also composed one of Judicial Board's responsibilities. As a definite example of cooperative progress, quiet talking was permitted in last period study halls.

Joint Council Sponsors Exciting Joint Assemblies

Joint Council

To promote safety in driving, a Driving Education Assembly was held under Joint Council's supervision. Joint Council, whose purpose is to coordinate activities between the two schools, is composed of the heads of organizations and publications of both schools. The Joint Council with Patricia Bullock as chairman served the school with educational projects beneficial to every student. Again this year there was an Earth Week with speakers and a concluding clean-up campaign. This week was helpful in furthering the students' awareness of the environment.

Junior Council

Composed entirely of third and fourth graders, the Junior Council served to promote universal concern for the welfare of the Lower School. Each class elected its own representatives in an attempt to teach students the necessity of electing quality leadership. Duties of the council members included opening doors, raising the flag, and maintaining order on buses. In an effort to prepare students for life under the Upper School SCA, Junior Council members shared in the responsibility of enforcing school rules.

SCA's Prepare Students for Upper School Life

The basic purposes of the Intermediate Boy's and Girl's S.C.A.s were twofold: first, to prepare the Intermediate Schools for life in the Upper School and its responsibilities; second, to provide opportunities for students to participate in making the rules of the school. Headed this year by Jeff Modisette and Robin Mayer, the S.C.A.s provided many areas for student involvement. One such area was the class elections.

The vice-presidents were Richard Thalhimer and Page Boinest. The secretaries this year were Bobby Denson and Anne Ratcliffe. Mrs. Kilpatrick, Mrs. Ferneyhough, and Mr. McEachen served as the advisers.

The Boys' Intermediate SCA served tremendously in several areas. For the Homecoming project they passed out footballs. They, also, worked for a new set of bookshelves for the school. They faithfully raised the flag throughout the year. There was a great effort to link the Upper School SCA's with the Intermediate SCA's.

Service Committee's Meetings Are Open to Students

Christie Rogers and Nancy Taylor help chairman Jean Foster to decorate Christmas tree

Stressing that students should give more of their time personally to underprivileged people, this year's Service Committee, under the supervision of Mrs. McKinley and Mrs. Woolford, began the year with sewing doll clothes for the Salvation Army. Jean Foster, the chairman of Service Committee, kept the tradition of supporting an orphan. Denis George was supported by the extra money made on the UNICEF Fund Day. On that day each student could buy a ticket and chew gum. A Halloween party was given at the Bon Air Diagnostic Center with the support of the students who furnished food and participated. Additional money was raised for Service Committee's projects by their selling paper flowers and helium balloons at the Bazaar. Service Committee's meetings were open this year so that there could be more student participation.

SCA's Open Meetings Encourage Student Participation

The Student Co-operative Association, headed by Margaret Reese, sponsored many activities in its goal to promote the general welfare of Collegiate. This association sponsored several projects including Orientation for new girls and freshmen, the Homecoming Dance, an Occupation Day to acquaint students with business opportunities, and PBX Day a paperback book exchange. Girls SCA with Athletic Council and Service Committee sponsored a Play Day for underprivileged children. Under the able leadership of Mrs. Bothwell and Mrs. Hulcher, SCA combined Chapel and Assembly Committee under one head and joined Rules Revision Committee with Point System Committee under the Vice-President of SCA. Through these projects SCA was able to maintain high standards of scholarship, co-operation, and citizenship.

SCA Revises Handbook and Constitution

Under the leadership of John Bowman, SCA did a tremendous job of making Collegiate a better run school. Major SCA activities for the year included the revision of the SCA constitution and the revision of the Student Handbook. The Academic Affairs Committee, a part of the SCA, assisted in tutoring students. Mr. Wiltshire was SCA faculty advisor and Meade Spotts was vice-president. Woody Dykers served as secretary and Don Sledd served as treasurer. Not only did this year's SCA carry out many activities and services, it worked with the administration to achieve satisfactory results. The SCA of 1973-1974 accomplished the goals they set out to reach.

Library Committee

The Library Committee served as a valuable link between the librarians and the homerooms. Headed by Dabney Miller, the committee aided all students by delivering library notices and warnings concerning fines. Members of the committee also gave generously of their time by working in the library.

Committee Chairmen

Committee Chairmen often worked hard behind the scenes in many areas of school life. Linda Albrecht spent much time co-ordinating chapel and assembly dates to accommodate everyone. Head of Curriculum Committee, Betsy Brinkley, worked with faculty and students in promoting the best use of school time and teaching techniques. Helen Anderson and Bev Chewning kept the showcase furnished with educational exhibits. Melanie Gorsline ably led AFS Committee in organizing many projects which familiarized the student body with the AFS students. Library Committee, under the direction of Dabney Miller, continued to facilitate communication between the library with the homeroom.

Honor Societies Hold Tappings in Spring

National Honor Society

The National Honor Society is an honorary organization designed to recognize the outstanding students in the school. The qualifications for the Society are scholarship, leadership, character, and service. The students must have all of these qualities, not just one, for consideration. This spring the NHS tapped new members from the Junior and Senior classes. The girls who are members of the NHS are also automatically members of the Girls' School Honor Council. The president of the NHS this year is Betsy Brinkley. The faculty advisors are Mrs. Mitchell and Mrs. Todd.

Quill and Scroll

Based purely on merit in the field of journalism, Quill and Scroll tappings were held in the spring. The members were selected for their outstanding achievements in the literary field, and they formed an "Honor Society for High School Journalists." Most of the members have contributed greatly to the *Torch*, the *Match*, or the *Flame*.

Thespian Troupe

The purpose of this year's Thespian Troupe was to get students to enjoy the theater for what it really is. Under Teresa Lacy, the president, the group experienced many innovations. Mr. Howarth became the new director. The Thespian Troupe also acquired materials such as paint and tools for their stage. New lighting devices were installed this year. The Thespians put on several dramatic plays including *Our Town*, by Thornton Wilder. Experiences in acting and building sets enriched students' acquaintances with the theater. By combining efforts with the Collegiate Chorus, the Troupe made this a successful year for Collegiate's theatrical productions.

Club Visits Confederate Home for Ladies

Interact completed its second full year of operation at Collegiate. Through various activities, the club fulfilled its goals of service to the school, the community, and the world. Its required International Understanding project consisted of the adoption of a Korean boy. Thanksgiving and Christmas parties at the Confederate Home for Ladies and Grace House were some of the community service projects. By ushering at the Thanksgiving service and the Christmas Pageant, Interact served the school. The club directed and made a student movie which was presented at the Village Green Fair. Throughout the year Interact offered the chances for its members to serve others.

Mr. Williams and Mr. Slick discuss Key Club Talent Show plans.

Key Club

The Key Club, this year under the leadership of Rusty Conner, has sponsored varied and numerous student activities at Collegiate. Mr. Williams and Mr. Slick acted as advisors to the club. They were very helpful in arranging the Chicken Dinner and the Talent Show presented with it. Career night was also sponsored and arranged by the Club. The Key club also aided in the Thanksgiving service and Christmas Pageant. The club collected canned goods for the underprivileged this Christmas and gave a Christmas party for them as well. Russell Perkins was vice-president, Dusty Boyd was the secretary, and John Mizelle was treasurer. Frances Day was the club's sweetheart.

Honor Council and FCA Instill High Ideals

Boys' Honor Council

The Boys' Honor Council's main objective is to reinforce the honor code. If any one breaks the honor regulations, he is tried by his peers. The Council's goal this year was to strengthen the feeling of honor in all members of the student body.

Erik Greenbaum ably led the Honor Council this year as president. Charles Graeber served well as vice-president and Monty Sharpe as secretary. The advisor this year was Mr. Leland Smith. The Council maintained and strengthened the policies developed by councils of previous years.

FCA

The Fellowship of Christian Athletes is a national movement which confronts athletes and coaches and through them the youth of the nation with the challenge and adventure of following Christ in the fellowship of the Church.

The FCA at Collegiate, now in its fourth year of existence has as its advisor Mr. Bill Chambers. President Randy Alley led the FCA in raising money to send several of its members to the national conference this summer.

Monogram Club

Flash!! Bruce Kemp and the clowns of the Monogram Club struggled to excite spirit at Collegiate Programs for the home football games and much needed help at the basketball tournaments were some of the tangible efforts of these dynamos. However, a group of boys cannot reach this goal alone. The answer: Cheerleaders! Frances Day and her "fearless ten" cheered all the varsity teams win, lose, or draw — and never gave up. Our thanks to those great girls, and to the students who cared about Collegiate's athletics and athletes.

Athletic Council

Athletic Council promoted spirit at games by providing rides to games. Athletic Council sold Collegiate mugs at the Christmas Bazaar. Under supervision of Holly Jones, the council held Spirit Day in the Spring. The Golds and Greens competed in games, races and cake eating contests to win points for the Green and Gold Cup.

Chorus Portrays Gangsters, "Goils"

Soprano, alto, tenor, and bass voices mingled to provide Collegiate students and other spectators with superior musical entertainment. The musical production was Frank Loesser's delightful revelation of gangsters, "goils", and how they are somehow linked with the Salvation Army? — **Guys and Dolls**. The principals and chorus tackled the production with enthusiasm. The 1920's provided plenty of material for the "hams" and the time also offered some inspiration. A little bathtub gin would have come in handy after those late practices! Mr. Howarth directed a tired, stage struck cast to a fantastic success. Mr. Cooke again drilled and yelled and coaxed and charmed his singers into a first-rate performance. The Thanksgiving Service, Baccalaureate, and Graduation rounded out a full, active year for the chorus.

Guys and Dolls gets off to a good start with Teresa Lacy and Walker Jones.

Glee Club Brings Christmas Pageant to Life

Glee Club

Meticulously preparing music for the traditional Christmas Pageant, the Girl's Glee Club, selected from Upper School girls, began the year vigorously. After the Pageant a Spring Concert was held where contemporary songs were sung for parents. The Glee Club was in charge of leading the singing during Joint Chapel. Teresa Lacy, the president of the Glee Club, was elected in the autumn. Mr. Cooke was the director and Miss Archbell was the accompanist.

Debate Team

The Debate team, coached by Dr. Max Graeber, showed a great deal of improvement this summer. At the University of Richmond Summer Debate Institute, Rick Morrison finished first in the novice Competition, and Charles Sikorovsky and Charles Graeber received an honorable mention in the varsity division with a 3-0 record. Chris Morrison also participated in the summer institute. Other members returning from last year are Gavin Lower, with a 24-2 negative side record, and Clayton Allen, a member of the second place Varsity team at the Indian River Invitation Tournament. With this strong preparation the debate team was able to carry out a very successful year.

Photography Club

This year the Photography Club, under the leadership of Mr. Tom Snyder as faculty advisor, underwent reorganization. What once consisted of a single committee was changed to a bureaucracy of four, each dealing with a specific purpose. These were a planning committee, a dark-room committee, a general photography committee, and a publication committee.

Perhaps the most important function of the club was controlled by the planning committee. Under the chairmanship of David Oates this committee distributed assignments to photographers. These assignments included many pictures used in the *Torch*, *The Match* and the School Calendar.

AFS Acquaints Collegiate With A.F.S. Students

A.F.S. Committee

The major purpose of the A.F.S. Committee is to assure the two Field Service students a good time. The Committee strives to keep them involved in all the school's activities and to enable Collegiate students to learn as much as possible about their way of life. Charlie Shields was student chairman of the committee. Melanie Gorsline and Phil Hart were co-chairmen. They helped to entertain and involve Sylvia and Juanea in school activities. They were involved in things such as sports, chorus, and glee club. During the year, the committee sponsored a joint assembly which gave students a personal view of other countries provided by A.F.S. students from the Richmond area.

Collegiate Committee

Patricia Bullock, Collegiate Committee's chairman, worked with the class representative and SCA to bring the Boys' School and the Girls' School closer together. Members made calendars specifying school activities for each month of the school year. The committee also aided in the organization of the Girls' School Bazaar. It publicized dances and got blind dates for many of the students. In September the committee sponsored a Sadie Hawkins Dance on the Collegiate tennis courts. At Homecoming the committee helped SCA organize the dance and make decorations for it. Student participation and faculty supervision helped to make this a successful year.

Sylvia explains some of her customs to Intermediates at the AFS reception.

For the twelfth year Collegiate welcomed students from abroad. Sylvia Weninger, who came from Austria, stayed with Laurie Lansing and her family. Juanca Sienra came from Paraguay and lived with the family of Johnny Mizelle. Sylvia participated in Glee Club, chorus, and was elected to Library Committee. Juanca was on Varsity soccer.

While in the United States, Juanca and Sylvia were able to learn about American customs and also to share some of the customs of their native countries with other students. October 26 is the national holiday of Austria. Customs of Austria and America were merged in a party in honor of this holiday.

Secrets Remain Untold

For fifty-nine years the secret of XXX has remained untold. Six girls each year from the senior class are the only members. The only clues anyone had this year to the well-kept secret were red XXX's and the tennis hats the girls sometimes wore to school. What is the purpose of XXX? Carol Ann Fuleihan said, "It's a great cause!", but who knows what this great cause is? The members have a secret meeting place, but here again, no one else knows where it is! Tight-lipped as ever, Sherry, Leigh Ann, Kathy, Carol Ann, Cathy, and Cindy remain vowed to secrecy.

Board and Administration Coordinate School Policies

The Board of Trustees was concerned with improvement of the school this year. The Planning and Development Committee discussed various possible plans for the future of Collegiate. Collegiate is indebted to the Trustees for setting school policy and enriching the student life with their careful supervision. Four new members joined the Board this year. They were Mrs. W. T. Benson, Judge A. C. Compton, Mr. W. A. Pusey, and Mr. M. G. Thalhimer, Jr. Mr. F. Kay, Jr., served as President.

New System of Electives Improves English Classes

Several new teachers were added to the English departments this year. Mrs. Glover, Miss Schmidt, Miss Merrill, and Mr. Howarth all became part of the faculty. Miss Merrill served as head of the Girls' English Department. The Junior girls did not take American Literature; instead they studied a survey of works of authors from all over the world. The boys had a variety of one semester courses, and each incorporated different works. Seniors from both schools were involved in an Honors Reading Seminar led by Miss Merrill.

Computer Gets New Brain

Math Department

Innovations this year, though not so numerous, were quite remarkable in the area of mathematics at Collegiate this year. Special two-week courses were given in computer language and operation at various times during the year. Pre-Calculus, a special course designed for preparation for higher math, underwent reorganization. Divided into several sections, including Introduction to Calculus, it can be organized as a one or two year course, depending on the student's ability. The Girls' math department offered a Calculus I course this year which many seniors became involved. Girls took courses in the Boys' School to a greater extent this year than in the past.

Civil War Enjoys Student Participation

Several exciting courses were added by the History Departments this year. Contemporary History was instrumental in giving students a better awareness of the events affecting their country and lives. Civil War History gave an in-depth study of the war, its causes, and its far-reaching effects. Small classes allowed students to discuss problems freely in Sociology. Far East History enabled students to understand the impact of the West upon the East and the East's response to that impact.

Language Emphasis Day Presents New Facets

Language Department

Student participation was the important factor in making language emphasis day a success. Students spent much of their time learning songs, poems, and practicing the fine art of the French theater to be presented in the form of "Jeu d'Adam" and others. With the cooperation of the Boys' School Latin Department, the students were able to learn about more than just one Romantic language. Because foreign culture was a part of the program, the students felt that they learned more than in the traditional classroom.

Greenhouse Added to Science Facilities

The Science Department

The Addition of new teachers this year added tremendous variety and strength to the science department. Mr. Porter, a major in zoology, taught a class in oceanography. Many aquariums around the science building were evidence of his new class. At various times throughout the year, the semester course provided field trips such as, in November, to the Virginia Institute of Marine Sciences. Mr. Parrish, also a new teacher, was fully accredited and specialized in biology. He taught sixth grade general science. Miss Gilman inspired eighth grade girls with her knowledge of earth science. Also on the staff this year were Mr. Snyder, Mr. Woolford, and Mrs. Daniel, returning to add their skills to the science department.

Mr. Howarth Adds New Dimension to Collegiate Drama

Library

Once again the library offered the students a place to read and do reference work. The Reading Room served an additional function this year by showing the Kenneth Clark film series, *Civilization*, and various French and English films. The Book Fair, a tremendous success, fostered *The Stuffed Cougar*, a cookbook made up of recipes from Collegiate patrons and faculty. Many new books were added to the library shelves from money made by the Book Fair. The new books and films aided the students in their efforts to do more extensive work in various fields.

Drama Department

Two new faces with a lot of good ideas behind them appeared on the dramatic scene at Collegiate. Mr. Frank Howarth, a veteran of a first-class all-around stage game, joined forces with Miss Susan Schmidt, a Collegiate alumna, to produce, in the opinion of many, the best season Collegiate has ever seen. Genuine interest and developing talent came to light as acting workshops, building and painting flats, and lessons about lighting weeded out the unenthusiastic and brought the devoted to the surface. "Work! Work! Work!" seems to have been the motto of these two teachers but, as the critics of the productions proclaimed, whatever agony and sleeplessness went into them was worth it. The general opinion ranged from "Beautiful!" to "Fantastic!"

Guidance Department

The Guidance Department for the boys basically was run by Mr. Fox and Mr. Charles Slick. Mr. Slick served as the advisor to the Junior class in selecting colleges and Mr. Fox aided the Senior class. Senior and Junior girls found advice and realistic encouragement in their search for the perfect college from the ever diligent Mrs. Mitchell. SAT's, ACT's, Achievements—all the terrors of preparing for college applications passed successfully as Mrs. Mitchell helped each senior add her name to the list of college acceptances. Freshmen, new to the upper school routine, found consolation and encouragement from the experience of Mrs. Bothwell; while the progress of the intermediates was supervised by Mrs. Jett.

Bible Department

Mr. Fell, head of the Girls' Bible Department, used a relatively new method of teaching which proved successful with all students. The course included a study of short stories known as Principles. The stories illustrated moral problems and issues important in the students' lives.

In the Boys' School, Bible was taught by a versatile and varied staff. Mr. Wiltshire and Mr. Foster taught alternating semester courses to the Senior class. Mr. Wiltshire taught a comparative course in world religions and Mr. Foster a study of the Bible as literature. The Junior class was ably instructed by Dr. Spence, a popular figure around Collegiate. Doug Holladay and Mr. Slick teach the Sophomores, each taking alternate semester courses. Many boys feel challenged by both classes. Mr. E. Jones instructed the Freshmen in a basic Bible study.

Athletic Departments Expand "Battle Fields"

Athletic Department

Headed again by Mr. Jacobs, the athletic department had an impressive staff of coaches. Mr. Jones was head football coach. Mr. Hickey served as assistant football coach and as the head coach for Winter and Spring track. Mr. Porter coached cross country and Mr. Gaddy, Fall and Spring tennis. Mr. Snyder coached Fall and Winter soccer. Fall and Winter basketball were coached by Mr. Chambers. Mr. Jacobs handled Winter and Spring baseball. These coaches provided great inspiration for their boys by instilling in them skill and the ability to win.

Miss Janet Grubbs, an alumna of Congregate Schools, returned to join Mrs. Gwen Donahue in the girls' athletic department. New spirit added to former enthusiasm spurred the girls to new victories. These two bravely avoided battered bodies in teaching hockey, basketball, tennis, Lacrosse, and gymnastics. Miss Grubbs coached Varsity hockey, J.V. basketball, and lacrosse, while Mrs. Donahue coached J.V. hockey, Varsity basketball, and tennis. These two dedicated people led the girls into a discovery of new co-ordinated talent.

Health

Mrs. Robinson headed the Health Department as head nurse for the Girls' and Boys' School. Besides giving physical aid, she also served as confidant and friend for many students.

Under the supervision of Mrs. Barnett, the kitchen staff continued to produce lunches that could please the least hungry student. To the Girls of the Class of '74
 We've watched you grow from tot to teen,
 And savored all the years between.
 We've glowed at pageants, howled at Brunch,
 We've guessed at Fleurs, and played a bunch.

Admired the Junior-Senior dance —
 And suddenly it's our last chance
 To gaze with pride. Our Seniors fled,
 Adorned in white with roses red.

We thank you for the privilege rare
 Of watching special girls prepare
 For lives unknown, exciting, new.
 Your world's ways changed, except a few.

May each of you seek your own place.
 Make friends with yourself face to face.
 God's blessing take you through the years —
 We proudly wave, eyes veiled with tears.

Mr. and Mrs. Arthur Brinkley

I MEANT TO DO MY WORK TODAY

Richard LeGallienne

I meant to do my work today —
But a brown bird sang in the apple tree,
And a butterfly flitted across the field,
And all the leaves were calling me.
And the wind went sighing over the land
Tossing the grasses to and fro,
And a rainbow held out its shining hand —
So what could I do but laugh and go?

"WHAT IT TAKES TO BE NUMBER ONE"

"Winning is not a sometime thing; it's an all-the-time thing. You don't win once in a while, you don't do things right once in a while, you do them right all the time. Winning is a habit. Unfortunately, so is losing. . .

"It's a reality of life that men are competitive and the most competitive games draw the most competitive men. That's why they're there — to compete. They know the rules and the objectives when they get in the game. The objective is to win — fairly, squarely, decently, by the rules — but to win.

"And in truth, I've never known a man worth his salt who in the long run, deep down in his heart, didn't appreciate the

five. I believe in God, and I believe in human decency. But I firmly believe that any man's finest hour — his greatest fulfillment to all he holds dear — is that moment when he has worked his heart out in a good cause and lies exhausted on the field of battle — victorious."

May Day Highlights Spring Season

Everyone has his own special talent: drama, athletics, debate, singing, writing, or whatever it may be. With these talents, each of us colors the world. Through other people, we can broaden our experiences. A student passes his knowledge on to another student, an athlete plays a good game, an actor or singer performs well — these are some of the ways a person can pass on the color in his life. By doing what we enjoy most and do best, other people can feel and enjoy the uniqueness that is present in each of our lives.

Upper Right: Students are released after another day of labor.

Lower Left: "There is a time for work and a time for play . . ."

Lower Right: Mr. Leland Smith checks his notes.

Above Left: Mr. Howarth is a good director, but as for his techniques . . .
 Above Right: Phil amuses everyone, especially Sylvia at the AFS Assembly

Color Your World

Color brings light to our personalities. Each unique quality a person has shades his life and his interactions with different people. Through classes and activities a student gains additional hues by learning to adjust to situations and to cooperate with others. At Collegiate each student has the opportunity to work independently and to work with others so that he can fulfill himself and learn to color his world.

Upper Right: Bev Chewning, Walker Jones, Margaret Birdsong, Jimmy Lyne, and Steve Kelley fly a kite.

Middle: Lower School singers color their world.

Lower Right: Recess at the Lower School.

Lower Left: Anne Ruth Duke relaxes in senior study.
